

Tracy Foster

Chief Financial Officer

Tracy Foster serves as the Chief Financial Officer of the Texas A&M Engineering Extension Service overseeing the financial operations of the Agency. She joined TEEX in 2020 after serving as Senior Financial Analyst with the Texas A&M University office of Planning and Budgeting, where she held a dual appointment with the Texas A&M System Office of Governmental Relations.

In this position, she served as a legislative liaison to the university, coordinated the preparation of the Legislative Appropriations Request and participated in statewide initiatives impacting all higher education institutions in the State of Texas. She also oversaw the tuition and fee rate structure at Texas A&M, Texas A&M Galveston and the Texas A&M Health Science Center.

Tracy is active in the Texas Association of State Senior College and University Business Officers (TASSCUBO) organization. This organization supports officers of business and fiscal affairs in Texas State colleges and universities and furthers higher education in Texas.

Prior to joining the Texas A&M University System, Tracy served as senior analyst for Unocal 76 (now Chevron), where she was responsible for all financial aspects of the Gulf of Mexico business unit. She participated in strategic planning, forecasting and budgeting, along with serving as liaison between the business unit and the Controller's organization. She was a member of the executive team for the business unit; planning and moving the unit toward their strategic goals.
